

Remarks

This paper is in response to the Restriction Requirement mailed on March 10, 2006. Applicant respectfully elects Group I, claims 1-16, for further prosecution. Applicant also elects Species I, Category A, Fig. 1 (transverse roller) and Species I, Category B, Fig. 3 for further examination. Claims 1-9, 11, 13, 15, and 16 read on Figs. 1 and 3 with claim 1 being generic to all of the species. Claims 10, 12, 14, and 17-33 are withdrawn from consideration with the understanding that claims 10, 12, and 14 will be allowed if a claim from which they depend is allowed. Applicant further reserves its right to file a divisional application for any non-elected claim not allowed.

In view of the above elections, Applicant respectfully requests reconsideration and allowance of claims 1-16. No additional fees for filing this response are believed to be due. However, if such fees are due, including any fees for an extension of time to respond, the Commissioner is hereby authorized to charge them to deposit account no. 17-0055.

Respectfully submitted,
